OFFERS EXPIRE 7/31/26

\*Buy 2 Comfort 365 Windows® at regular price and get 2 additional windows of equal or lesser value free with participation in the Yes! Program. Offer applies to all window styles in white except nonrectangular shaped window styles. Window discount without participation in Yes! Program equals 40% off. Minimum purchase of 4 windows required. 20% national sunroom and door discount requires minimum purchase of 120 sq. ft. complete sunroom or 1 entry door with decorative glass. Earn up to an additional 10% off with participation in the Yes! Program (up to \$2,000), making your sunroom and door discount a total of up to 30% off. All prices include standard installation. All discounts apply to the MSRP cost. No adjustments can be made on prior sales. YES! Program valid only at the time of your initial demonstration and once per residence per term. Offer subject to change. The Champion Limited Lifetime Warranty applies to Comfort 365 Windows® and qualifying Champion products as long as the original purchaser owns the home. See website or a Champion representative for details. Offer expires 07/31/26. ©Champion Opco LLC, 2026

\*\*Plan 3120d. 29.49% APR accrues during the promotional period. Interest is waived if paid in full before the promotional period ends. Loans are subject to credit approval. Home Improvement Loans offered through Upgrade are made by Cross River Bank, Member FDIC, Equal Housing Lender. Upgrade, Inc. (NMLS #1548935) holds licenses in the states listed at upgrade.com/State-Licenses and does business under the DBAs listed at upgrade.com/dba. Home Improvement Loans made through Upgrade feature Annual Percentage Rates (APRs) of 0.00%-29.99%. Lowest rates require Autopay. Loans feature repayment terms of 2 years to 15 years. Loans may be disbursed in one or more advances. Actual loan terms may vary depending on, among other things, the exact number of advances, the amount of each advance, the date on which each advance will occur, and if a promotional plan applies. For example, under this promotional plan (i.e., no payments required during the 12 months promotional period beginning after we disburse the first advance, and interest accrues during the promotional period but is waived if the loan is paid in full before the end of the promotional period), if a borrower receives a \$10,000 loan with a 10-year term and a 29.49% Annual Percentage Rate (APR), the loan is disbursed in 2 advances (20% on Day 1 and 80% on Day 90), and the loan is not paid in full before the end of the promotional period, the borrower will have a required monthly payment of \$279.66 after the promotional period ends. All interest accrued during the promotional period will be included in your monthly payment on a pro-rata basis for the remainder of the loan term if the loan is not paid in full by the end of the promotional period. If the loan is paid in full before the end of the promotional period, all interest accrued during the promotional period will be waived.
